

Different Just the Same

(Words by Tim Freeman – Music by P.A. Kelly)

Maybe I don't look like you do
Maybe I don't sound the same
Maybe you don't play like I do
Maybe you don't know my name

CHORUS:

But I'm as nice as you are
And it would be a shame
If we don't play our games together
Cos we're all different just the same

Maybe I can't do what you can
Maybe you can't really see
That I need just as much as you and maybe
You should have a friend like me

CHORUS:

Cos I'm as nice as you are
And it would be a shame
If we don't play our games together
Cos we're all different just the same

BRIDGE:

Just cos I don't do
Things the same as you
Why should that mean we can't be good friends?
Just because I've not
Got the things you've got
Why should that make any difference?

Maybe I don't look like you do
Maybe I don't sound the same
Maybe you don't play like I do
Maybe you don't know my name

(repeat CHORUS)
