

## **Stop It--I Don't Like It**

(Words by Tim Freeman - Music by P.A. Kelly)

When somebody's being mean to you  
When somebody spoils your day  
Maybe this is all you need to do  
This is all you need to say:

Stop it--I don't like it!  
Stop it--I wish you would just  
Stop it--I don't like it!  
Just stop it, what you're doing isn't good

Stop it--I don't like it!  
Stop it--I really mind, so  
Stop it--I don't like it!  
Just stop it, what you're doing isn't kind

You're making me sad  
Making me feel bad  
Telling me that you don't care  
Spoiling all my games  
Calling me bad names  
Stop it cos it isn't fair

Stop it--I don't like it!  
Stop it--I really mind, just  
Stop it--I don't like it!  
Just stop it, what you're doing isn't kind

Stop it--I don't like it!  
Stop it--I wish you would, just  
Stop it--I don't like it!  
Just stop it now, I wish you would  
Just stop it now, you know you should  
Just stop it, what you're doing isn't good!  
Stop it!
