

## **There for Everyone**

(Words by Tim Freeman | Music by P.A. Kelly)

### *Verse 1*

I'm a kid, I'm a child  
I'm a little bit wild  
And I just wanna to do my thing  
And you can't stop me  
Being a little cra-zee  
When I open up my heart and sing  
**SING!**

(Na, na, na-na-na na, etc.)

### *Verse 2*

I'm a child like you  
And I do what I do  
Any time, any place, any chance  
Count 1,2,3  
And you can't stop me  
When I fly across the floor and dance  
**DANCE!**

(Step to the left, step to the right  
Step to the front and bump  
Give a little jiggle, have a little wiggle  
Put yer hands up and jump)

### *Chorus*

Said I love this school  
Cos the kids are cool  
They never try to spoil my fun  
They know me, and I know we are there for everyone  
Said I love this school  
Cos the kids are cool  
They never try to spoil my fun  
They know me, and I know we are there for everyone  
**EVERYONE!**

(Repeat Verse 1, repeat Chorus 3x)
